

我的帮助从造天地的耶和华而来，
他必不叫你的脚摇动，
保护你的必不打盹。
(诗121:2-3)

A whole new world

When you're looking at the world, everything's wonderful. But the moment you notice that you're not let your heart decide.
A whole new world. A whole new world. A whole new world. A whole new world. A whole new world. A whole new world.
A whole new world. A whole new world. A whole new world. A whole new world. A whole new world. A whole new world.
