

要等候耶和华！当壮胆，坚固你的心！
我再说，要等候耶和华。

(诗27:14)

A whole new world

I can't seem to find the world I'm dreaming of, surrounded by the promises of hope when did you turn let your heart decide.
I can't seem to find the world I'm dreaming of, surrounded by the promises of hope when did you turn let your heart decide.
A whole new world! A whole new world! A whole new world! A whole new world! A whole new world! A whole new world! A whole new world! A whole new world! A whole new world! A whole new world!
